

## Welcome to ADINA R & D, Inc.

We welcome you to Massachusetts, and provide some information that you might find useful.

### Directions from Logan International Airport (BOS)

From the airport, follow the signs and get on to the Massachusetts Turnpike (**I-90 West**). This is a toll highway, but the easiest way out of the airport, and the most direct to ADINA.

Take **Exit No. 17 (Newton)**, see map on page 3. Get on to **Centre Street**, heading north. Centre Street will become **Galen Street**, and you will drive across a bridge over the Charles River.

This brings you to a major intersection. You want to stay in the lane next to the right-most lane (reserved for right turning vehicles) in order to drive straight through on to **Mount Auburn Street**.

Drive on Mount Auburn Street until you pass the St. James Armenian Church (465 Mt. Auburn) on your right, just after the intersection with School Street. This church is marked by a big 'Bingo' sign that is hard to miss. Keep driving, and when you see the Fire Station on the other side of the road, get ready to make a **right turn on to Elton Avenue**. Elton Avenue is marked by a Post Office and the Sevan Bakery at the corner where you turn off from Mount Auburn.

At the end of Elton Avenue, you will see the ADINA building on your right. Make a **right turn on to Nichols Avenue**, and another right into the parking lot of ADINA R & D.

## ADINA

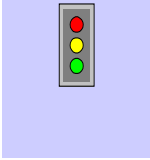

71 Elton Avenue  
Watertown, MA 02472  
Tel . (617) 926 -5199  
Fax. (617) 926- 0238

### Hotels

- **DaysHotel**  
1234 Soldiers Field Road  
Boston, MA 02135  
Phone (617) 254-1234
